(20) PATIENT ADVOCACY: Neither the Company nor the Plan Administrator shall have any right, obligation, or authority of any kind to ultimately select Physicians, Hospitals, or other healthcare or health service providers for the Insured Person or to make any medical Treatment decisions for or on behalf of the Insured Person, and all such decisions shall be made solely and exclusively by the Insured Person and/or his/her guardians, family members and treating Physicians and other healthcare providers. Subject to the foregoing, the Company may determine that a particular claim, benefit, Treatment, or diagnosis occurring under or relating to this insurance may be placed under the Company's "Patient Advocacy" program to ensure that Medically Necessary Treatment and supplies are provided in the most cost effective manner. In the event the Company determines that a claim, benefit, Treatment, or diagnosis meets the Company's Patient Advocacy program guidelines, the Company will notify the Insured Person as soon as reasonably practicable, and a Patient Advocate will be assigned to the Insured Person. Thereafter, the Company's Patient Advocate may make evaluations and/or recommendations of Treatment settings and/or procedures and/or supplies that may be more cost effective for the Company and/or the Insured Person. Such recommendations will be made with input from the Insured Person and/or the Insured Person's guardians, family members and treating Physicians and other healthcare providers, and will be made only when it can be reasonably demonstrated that the Medically Necessary Treatment and/or supplies can be provided in a more cost effective manner to the Company and/or the Insured Person. The Company will use its best efforts to evaluate and recommend Treatment settings and/or procedures and/or supplies that can reasonably be expected to result in the same or better care of the Insured Person. The Insured Person is under no obligation to accept or follow any of the Company's recommendations. However, if the Insured Person accepts and follows any of the Company's recommendations, the Insured Person agrees to hold the Company and the Company's agents and representatives, including the Patient

Advocate, harmless from same, and the Company shall not be held liable or otherwise responsible for any Treatment or supply provided to the Insured Person except for the payment of claims and benefits eligible for coverage under the Terms of this insurance. After the Insured Person has been notified that the claim, Treatment, benefit or diagnosis meets the Company's Patient Advocacy program guidelines, the Company reserves the right, at its option and in its sole discretion without liability, to:

- (a) make payment for Treatment and/or supplies which, although not expressly covered under this insurance, may be beneficial to the Insured Person and cost effective to the Company; and/or
- (b) deny coverage and/or benefits for any Charges, including Eligible Medical Expenses otherwise eligible for coverage but for the Terms of this provision, which exceed the amount the Company would have covered had the Insured Person accepted and followed the recommendations of the Patient Advocacy program.

- (a) all or part of the claim was not incurred by or paid by or on behalf of the Insured Person; or
- (b) the Insured Person or any member of the Insured Person's family, whether or not the family member is or was an Insured Person under this insurance plan, is repaid or is entitled to be repaid for all or part of the claim by OTHER COVERAGE or by or from a source other than the Company; or
- (c) all or part of the claim was not eligible for payment or coverage under the Terms of this insurance; or

If any Period of Coverage under this insurance has lapsed or terminated for any reason, coverage under the Visitors Care plan cannot be renewed, but may be separately written under a new Certificate (only after all applicable eligibility guidelines are met). A new Application with premium must be received by the Company in order to effect newly written coverage, and upon acceptance, a new Certificate will be issued and a new initial Period of Coverage will be established. New deductibles, scheduled benefit limits and sub-limits, conditions of coverage, eligibility requirements, and Pre-existing Condition exclusions will apply to any separately written and non-continuous coverage periods.

- (a) At the time of any request for renewal, the Insured Person must satisfy all of the then-current eligibility requirements for this insurance, as established by the Company at its sole discretions (refer to the ELIGIBILITY provision for further details.); and

The Company's commitment and the Insured Person's ability to renew is also subject to termination upon thirty (30) days written notice to the other party prior to the expiration date of the then existing Period of Coverage. The Company reserves the right in its sole discretion to make changes, additions and/or deletions to the Terms of the Master Policy, this Certificate, renewals or replacements of either, and/or to the insurance plan (including the issuance of Riders to effectuate same) at any time or from time to time after the Effective Date of Coverage of this Certificate, upon no less than ninety (90) days prior written notice to the Assured and the Insured Person (Notice of Amendment). The Notice of Amendment shall include a complete description of the changes, additions and/or deletions to be made, the Effective Date thereof (the Change Date), and notice of the Insured Person's cancellation rights as set forth below, and shall be sent first class mail, postage pre-paid, to the last known residence or mailing address of the Insured Person. Upon issuance of the Notice of Amendment, the Assured and/or the Insured Person shall have the right to request cancellation of this Certificate pursuant to the provisions above, at any time prior to the Change Date; provided, however that cancellation under this provision shall be at the option of the Insured Person, and coverage under this insurance shall terminate with effect from the cancellation date specified by the Insured Person (subject to the TERMINATION OF COVERAGE FOR INSURED PERSONS provision). If the Insured Person does not elect to cancel this Certificate in accordance with the foregoing, the changes, additions and/or deletions as made by the Company and specified in said Notice of Amendment shall take effect as of the Change Date specified in the Company's Notice, and this insurance shall thereafter continue in effect in accordance with its Terms, as so amended and modified.

(23) EXPLANATION OR VERIFICATION OF BENEFITS: In the event of any verbal or telephone inquiry, every attempt will be made to help the Insured Person and his/her healthcare providers and suppliers understand the status, scope and extent of available benefits and coverage under this insurance; provided, however, that no statement made by any agent, employee or representative of the Company or the Plan Administrator will be deemed or construed as an actionable representation, promise, or an estoppel, or will create any liability against the Company or the Plan Administrator or be deemed or construed to bind the Company or to modify, replace, waive, extend or amend any of the Terms of the Master Policy or this Certificate, unless expressly set forth in writing and signed by an authorized agent or representative of the Company. Actual eligibility determinations, benefit verifications, final coverage decisions and claim adjudications, and final payments and/or reimbursements of benefits or claims shall be determined and adjudicated only after or at the time a proper and complete Application and/or Proof of Claim is submitted (as the case may be), an opportunity for reasonable investigation and/or review is provided, cooperation required hereunder received, and all facts and supporting information, including relevant data, information and medical records when deemed necessary or appropriate by the Company, are presented in writing. Appealed claims may be further investigated and/or reviewed. The Terms of the Master Policy govern all available coverage and payments made or to be made. If a definite answer to a specific benefits or coverage question is required for any reason, the Insured Person or his/her healthcare providers may submit a written request to the Company, including all pertinent medical information and a statement from the attending Physician (if applicable), and a written reply will be sent by the Company and kept on file. If the Company elects to verify generally and/or preliminarily to a provider or the Insured Person that an Injury, Illness, diagnosis or proposed Treatment is or may be covered under this insurance, or that benefits for same are or may be available as outlined in this Certificate, any such verification of benefits does not guaranty either payment of benefits or the amount or eligibility of benefits.
